ColonialLife.com

To all members of the of Teamsters Local 745:

Recently, you received communications indicating AFLAC would no longer be providing the valuable benefits you use to protect your income through deductions with Piedmont Pays.

Colonial Life is working diligently with Barbara Davies and Leann Brumley to prepare competitive rates and product designs that match the coverage you originally purchased through AFLAC.

Colonial Life will be automatically enrolling you in coverage that is comparable to your existing AFLAC coverage with an effective date of 7/1/19. This will ensure that you have no gaps in coverage or issues filing claims.

As an extension of our appreciation of your choice to business with us, we will be providing continued payroll deduction services to you through Piedmont Pays at no cost to Teamsters Local 745 or its members. The Piedmont Pays team will update your deduction amounts to reflect your new Colonial Life coverage and to remove the \$5/month fee each policyholder was being charged previously.

Kind regards,

G. Sims Tillirson
Premier Client Consultant
Colonial Life
